

Notes for the 2023 Reunion

Notes for the 2018 Reunion

Jon Hubble

Hello class of 1968,

Unfortunately I will not be able to attend the 50th reunion this month.

I retired from Dignity Health in California in 2016 and went with my wife, Gloria, to Brazil to be missionaries (which is probably the reason I didn't receive notice of the reunion). We just returned from South America and are living in Arizona. Our six children live in six different states -- none of which is California -- which is the principle reason we no longer live there...

Although I have not been able to attend any class reunion, I have enjoyed trying to keep abreast of my former classmates.

Have a great reunion Class of 68!

Great to hear from you. I am afraid I will not make it this year. In May I and my wife Lena will go to Japan to visit an old classmate (and my girlfriend from Muscatine), Nancy. In June we are expecting twin grandchildren and want to be home to assist

My E-mail is goran.solders@gmail.com

My adress is Ormbergsvägen 12, 117 67 Stockholm, Sweden

Telephone: +46 73 6994642.

Please feel free to share my address and e-mail to my old classmates from Class of -68.

Cheers.

I'm hoping to make it for the 50th reunion.

Living in Arizona after retiring from the Army a few years ago (20+).

Haven't been to Iowa for quite a few years.

Dear Fellow Grads of MHS Class of 1968,

It is hard to believe that it's been already 50 years since we were classmates @ MHS!!! I was very much looking forward to once again reconnecting with many of you and reminiscing about the great times we had back In those days.

Unfortunately, nagging health problems will keep me from being able to attend our 50th MHS Reunion, now just a few months away. I have great pain and difficulty getting around due to chronic rheumatoid arthritis and all the planned activities that weekend would just be too much for me to handle.

I would like to acknowledge Bob (Biggie) McCleary and each one of the members of the MHS 50th Reunion Committee for all their hard work and dedication to the task of making this reunion reality.

I send my heart-felt greetings to all my dear former classmates, and wish you all a great time of celebration together again in Muscatine.

With Fondest Affection,

Oscar E. Ferreira
